Project Highlights

- Located at Calexico East Port of entry
- Adjacent to Mexicali – population of 1 million plus and the Capital of Baja California
- County of Imperial jurisdiction
- Located in the Gateway to the Americas Specific Plan
www.icpds.com/CMS/Media/GATEWAY-SPECIFIC-PLAN.pdf
- Located in a Foreign Trade Zone – may be transported without formal customs entry and payment of duty or excise tax. Merchandise may be manufactured or processed in the zone. The importer may choose either to pay the duty rate for the classification of the material when it was admitted to the zone, or the classification of the foreign product that is removed from the zone, whichever is lowest. Other advantages include potential savings on state and local taxes
- All utilities to the site

Aerial Image

Opportunities abound for retail from postal and delivery services to auto and truck parts sales!

Bordering Mexicali

Mexicali is a vibrant and growing metropolis complimenting the border traffic and offers significant patronage to Gateway Center businesses

- Over 1 million residents
- Vibrant and growing metropolis
- Annual growth rate of 3%
- Thriving and diverse manufacturing industry operating out of 28 million square feet of industrial facilities including: aerospace, automotive, electronics, plastics, medical equipment, glass, and office equipment
- Mexicali and the state of Baja California are significant agricultural sectors

Industrial Parks

A diverse warehousing and distribution industry, operating out of multiple industrial facilities nearby
